Subject: Resignation of a PMAC Commissioner

Hello,

Joel Ponazzo, a representative on the Public Market Advisory Commission, will be resigning before his official term ends. His last month serving on the commission is February 2018.

We will be searching for a customer representative to replace him. What do you need from me both for outgoing info on Joel, and for the new person (who will begin in March)?

Thanks for your help, have a great weekend.

-Stephanie
