City Administrator's FY2015 Budget Presentation

City Administrator Steve Powers presented the City Administrator's proposed FY2015 Budget to Council. The FY2015 budget was guided by the City Council priority areas. Those areas provided guidance to staff in the preparation of the second year of a two-year plan. He said that Council work sessions provided further clarity and guidance regarding the recommended spending plan. Mr. Powers stated that the proposed budget relies on conservative and realistic financial projections. Mr. Powers highlighted some of those proposed changes, which include the hiring of two police officers, one firefighter, and \$1 million use from General Fund Reserves for deferred maintenance on street trees in the City rights-of-way. (A copy of the presentation and the proposed FY2015 Budget is on file in the City Clerk's Office.)

PUBLIC COMMENTARY - RESERVED TIME (3 MINUTES PER SPEAKER)

*** (SPEAKERS ARE NOT PERMITTED TO GRANT THEIR RESERVED TIME TO AN ALTERNATE SPEAKER)**

*** ACCOMMODATIONS CAN BE MADE FOR PERSONS NEEDING ASSISTANCE WHILE ADDRESSING COUNCIL**

1. Kermit Schlansker - Geometry

Kermit Schlansker, 2960 Marshall, addressed Council regarding the importance of geometry in sustainability measures. Geometry is important, he stated, regarding travel distances to work, home and farm and for food travel from farm to table.

2. Lou Glorie - AAATA

Lou Glorie, 827 Brooks Street, addressed Council regarding the proposed AAATA Millage. She said it is framed as a referendum on public transit and comes with moralistic coloring which is difficult for people of good conscience to refuse. She added that the AAATA has created a service model that is more accommodating to those living outside of Ann Arbor than those who live here unless they are affiliated with the University. It is time for the AAATA to re-examine this model of service and to turn its attention to those who have supported the busses for decades. She urged voters to make an informed decision.

3. Alan Haber - Public land - Non-parking

Alan Haber, 531 Third St., expressed concern with the process and discussion regarding the development of the Library Lot. He urged Council to consider a more public process and to listen to the people.

CC COMMUNICATIONS FROM COUNCIL

COUNCILMEMBER TAYLOR

Councilmember Taylor thanked the City Administrator for his budget presentation to Council. Councilmember Taylor stated he was looking forward to a discussion regarding the allocation of Police resources, especially those in the downtown. He stated he may be open to a budget amendment regarding the allocation of Police

Department resources.

Councilmember Taylor stated he would also like the City Administrator to look at the allocation of resources for Community Standards and the Clean Communities effort. One focus he would like to see from Community Standards is a proactive approach to the near-campus neighborhoods.

Councilmember Taylor concluded by noting that the City Administrator's draft budget proposal does not include his assessment with respect to providing energy efficiency education and advocacy functions that were requested by the Environmental Commission and further requested by City Council. Councilmember Taylor noted that they are expecting the Administrator's report in early May and depending on the outcome of that report, a budget amendment may be proposed to meet those changes.

(Councilmember Briere arrived at 7:37 p.m.)

COUNCILMEMER PETERSEN

Councilmember Petersen announced that she and Councilmember Lumm would be hosting a Ward 2 Town Hall meeting on April 29, 2014 at 7 p.m. at the Earhart Village Clubhouse, located at 835 Earhart Rd. They key agenda item for discussion will be the AAATA proposed route changes and millage request. The Ride (AAATA) Leadership will be available at the meeting to answer questions. She said that all were welcome to attend the meeting and asked that people send her an email ahead of time so that seating could be planned accordingly.

COUNCILMEMBER LUMM

Councilmember Lumm spoke about the costs of services that the Humane Society of Huron Valley provides to the City. She stated there have been discussions for several years about the fact that the City is not fully paying its costs for these services, but a resolution still has not been worked out. Councilmember Lumm stated a meeting is scheduled for this week and the City Administrator will be providing Council with a memo on this topic later this week.

Councilmember Lumm also spoke about the growing deer population in Ann Arbor. She stated the City needs to begin considering this issue and developing strategies to address the problems associated with the increasing population.

Councilmember Lumm expressed her support for the proposal to increase the number of police officers. She stated she hoped that the DDA would also commit to funding more beat patrol officers in the downtown.

COUNCILMEMBER WARPEHOSKI

Councilmember Warpehoski updated Council regarding the meeting held with MDOT to discuss the Jackson/Huron corridor road work. Councilmember Warpehoski stated the meeting was well attended and was very informative. Councilmember Warpehoski stated that one take-away from the meeting was a question regarding the lane restructuring pilot. He stated folks were very interested in whether the road would be converted back if the lane restructuring does not work as planned. Councilmember Warpehoski stated he may be bringing forward a resolution to

ensure that MDOT is considering the needs of all involved, including the residents, motorists and the safety considerations.

COUNCILMEMBER EATON

Councilmember Eaton announced that the Friends of Dicken Woods would be hosting their annual fundraiser on April 24, 2014. The Friends of Dicken Woods have maintained a nature area on the west side of Ann Arbor for ten years. This was done by clearing evasive species, planting native species and generally taking care of the nature area. The friends of Dicken Woods also fund nature programs in Dicken Elementary School. This annual fund raiser is one way they raise money to do those activities. Anyone who is interested in helping can go to dickenwoods.org, download a coupon and take to Max and Erma's on E. Eisenhower to have lunch or dinner on that date. Twenty percent of the bill will go to the Friends of Dicken Woods. It is an easy way to contribute to a worthy cause.

Present: 11 - Mayor John Hieftje, Councilmember Stephen Kunselman, Councilmember Margie Teall, Councilmember Mike Anglin, Councilmember Sabra Briere, Councilmember Christopher Taylor, Councilmember Jane Lumm, Councilmember Sumi Kailasapathy, Councilmember Sally Petersen, Councilmember Chuck Warpehoski and Councilmember Jack Eaton
