Hi Christine,

Sorry I just missed your call! Does this work? Or does she need to resend directly to the Clerk's office? She sent this to the Market Commission.

Hi All,

After a lot of thought, I am officially stepping down from the market commission. While I would very much like to see the building project to its completion, we are expecting our first child this April, building a house, and still farming full time.

I still plan to be involved and come to meetings when able. It has been a great experience to serve with you these last 6? years.
