Specific independent Dealers will be authorized by Michelin to provide tires and tire services related to purchasing the tires (mounting tires, rotating tires, etc.). ("Dealer(s)" herein includes Michelin authorized dealers)

This Dealer Agreement identifies the responsibilities of the Dealer for the services provided by the Dealer. The Dealer will agree to carry all insurance that may be required by federal and state laws, state and city ordinances, charters, regulations, and codes. The Dealer certifies that it has now and will continue to have in full force and effect the following certificates of insurance. Copies of the insurance certificates shall be provided to the State of Michigan within ten (10) business days of this Dealer Agreement being executed. All Insurance shall be issued by an insurance company authorized by the Insurance Department to transact business in the State of Michigan. No policy shall expire, be canceled, or materially changed to affect coverage available to the State without thirty (30) days written notice to the State.

a. Liability insurance: a certificate of insurance evidencing insurance coverage for general liability including contractual liability, written on a comprehensive form with coverage for personal injury and a limit of liability of at least \$1,000,000 for bodily injury, property damage and personal injury.

b. Worker's compensation and employer's liability: a certificate of insurance evidencing statutory coverage for worker's compensation coverage, injury and a limit of liability of \$1,000,000 for employer's liability, or a letter of certification from the industrial commission that the Dealer is an authorized self-insurer.

c. Garage liability including Garage Keepers Legal Liability: a certificate evidencing coverage with a minimum limit of \$100,000 and to include loss of use of state operated vehicle(s).

3. HOLD HARMLESS.

The Dealer shall release, protect, indemnify and hold the State and its officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims arising from acts or omissions of the Dealer, its employees, subcontractors, or volunteers.

4. CONTRACT WITH Michelin

The Dealer agrees to abide by the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002.

5. ADDITIONAL CONTRACT TERMS INVALID.

The Dealer agrees that the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002 reflect the entirety of the agreement between the parties, including the Dealer, with respect to the subject matter of all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Terms and conditions inconsistent with, contrary or in addition to the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002, together with its exhibits are invalid. Terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002, together with its exhibits shall not be added to or incorporated into any subsequent purchase order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. CONTRACT DIGEST

PARTICIPATING STATE ADDENDUM

Each Participating state will sign a Participating Addendum to become a party to this WSCA Master Contract. Any agreement, e.g., additional administration fee, etc., between the State and Michelin will be incorporated into the Participating State Addendum. A copy signed by Michelin and the participating state will be forwarded to the WSCA Administrator by the participating state.

The Michelin point of contact is: Kaye Pittman, Government Sales, Phone 864-458-6030 Fax 864-458-5119 Email: kaye.pittman@us.michelin.com

PRICING

Pricing is for a discount off of list price for tires and tubes (See the discount percent off in Attachment C of the master contract) for Michelin, Uniroyal and BF Goodrich brands. This is off of the Government & Utility Accounts Base Price revised 12/1/2011 which is a separate attachment in the contract. Service pricing is provided at a specific dollar amount unless otherwise noted. (See Attachment C in the Master Contract for the service pricing pages.)

DEALER AGREEMENT

Michelin does not have any company owned dealer locations. All dealers are independent dealers and are not automatically included in the Master Contract until the dealer has signed a Dealer Agreement. (Utah's example is enclosed for your reference) The Dealer Agreement is necessary for notifying the dealer that they are required to have specific insurance and provide a warranty for their services under this Master Contract.

You can use the Utah Dealer Agreement (after making word changes) or do your own based on your state's requirements. Kaye Pittman will coordinate contacting the independent dealers to get their signatures. Once the dealers have signed the Dealer Agreement, Kaye will give you a copy for your records and so you can add that location to the list of Authorized Dealers that your state agencies and political subdivisions can use under your Participating Addendum.

This Contract Digest is not intended to be an exhaustive review of the full contract. The intent is to assist state users with the implementation process.

INSPECTIONS: Goods furnished under this contract shall be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or in compliance with proposal specifications, the Buyer may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price, which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph shall adversely affect the Buyer's rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

A written request for an increase with supporting documentation e.g. updated MPL must be received by the Contract Administrator, State of Utah Division of Purchasing at least thirty (30) days prior to the effective date of the increase. Increases shall not be effective unless they are approved by the Director, State of Utah Division of Purchasing.

Price decreases or higher discounts available from the manufacturer shall be immediately passed on to the WSCA Participating States. When the manufacturer offers price reductions or higher discounts, the Contractor must notify Contract Administrator, State of Utah Division of Purchasing and must pass those discounts on to the WSCA Participating States at once.

WSCA TIRES, TUBES & SERVICES
UTAH SOLICITATION # RT12002**

I GENERAL INFORMATION

1. PURPOSE OF REQUEST FOR PROPOSAL (RFP)

The State of Utah, Division of Purchasing, on behalf of the Western States Contracting Alliance (WSCA), is requesting proposals from tire and tube manufacturers to provide competitive pricing for tire products and services through their retail distribution networks to all WSCA participating states. The contracts may be used by other non-WSCA states with the authorization from the WSCA Directors and the approval of the individual state procurement directors.

A key objective of this RFP is to obtain the lowest cost for tires, tubes, and related services. Combining usage volumes from multiple states will result in volume discounts favorable to the participating states. Administrative savings will result by having the State of Utah manage only one Master Price Agreement (contract) for each manufacturer for all WSCA participating states.

The RFP may result in Master Price Agreements with multiple qualified manufacturers.

2. MASTER PRICE LIST DOCUMENTS and ORDER OF PRECEDENCE

Each contract issued under the Master Price Agreement will consist of the following documents:

1. A Participating Entity's "Participating Addendum" (PA) Ref: 5.9 below including state specific Terms and Conditions where applicable.
2. WSCA Standard Terms and Conditions.
3. The Solicitation.
4. Offeror's response to the Solicitation.

These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to the documents in the order listed above. Contractor terms and conditions that apply to the Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to the Master Agreement as an Exhibit or Attachment. No other terms and conditions shall apply, including terms and conditions listed in the Contractor's response to the Solicitation, or terms listed or referenced on the Contractor's website, in the Contractor quotation/sales order or in similar documents subsequently provided by the Contractor.

The attached terms and conditions in this solicitation for Utah, Arizona, California, Connecticut, Maine, Missouri, Wisconsin, Vermont, and Minnesota are for information purposes only. The awarded Contractor(s) will resolve any of the terms and conditions with these states in their respective Participating Addendum Agreements.

3. BACKGROUND

WSCA is a subset of the National Association of State Procurement Officials (NASPO). NASPO is a non-profit association dedicated to strengthening the procurement community through

**REQUEST FOR PROPOSAL
WSCA TIRES, TUBES & SERVICES
UTAH SOLICITATION # RT12002**

education, research, and communication. It is made up of the directors of the central procurement offices in each of the 50 states, the District of Columbia and the territories of the United States. NASPO was formally established on January 29, 1947, in Chicago, Illinois. NASPO is an organization through which the member purchasing officials provide leadership in professional public procurement, improve the quality of procurement, exchange information and cooperate to attain greater efficiency, economy, and customer satisfaction. NASPO's website can be found at the URL <http://www.naspo.org>.

WSCA is a cooperative group-contracting consortium for state governments and their respective departments, agencies, and institutions and may include colleges, universities, and school districts. They may also include other public entities such as cities and counties. The consortium was established in October 1993 and includes the States of Alaska, Arizona, California, Colorado, Hawaii, Idaho, Minnesota, Montana, Nevada, New Mexico, Oregon, South Dakota, Utah, Washington, and Wyoming. The purpose of WSCA is to establish the means by which participating states may join together in cooperative multi-state contracting. The mission of WSCA is to implement multi-state contracts to achieve cost-effective and efficient acquisition of quality products and services generally used by all WSCA participants. Additional information about WSCA can be found on their website at <http://www.aboutwsca.org>.

WSCA uses a "Lead State" model in issuing cooperative solicitations. One WSCA state leads the procurement and establishes a Sourcing Team made up of members of other WSCA States. The Lead State issues the solicitation and awards the contracts based on that state's statutory requirements and processes. The Lead State owns and manages the contract(s). Once contracts have been executed by the Lead State, other WSCA states may then choose to participate with the awarded contracts. The resulting contracts may also be used by other NASPO states with the authorization from the WSCA directors.

WSCA contracts have considerable diversity in terms of the end users who utilize the contracts. Contract(s) resulting from WSCA procurements may be used by State agencies and Institutions of Higher Education as well as the cities, counties, school districts and other political subdivisions within each respective State. The resulting Master Price Agreement(s) may also be used by other NASPO states with the authorization from the WSCA directors and subject to approval of the individual State Procurement Director and local statutory provisions.

III. PRICING, PRODUCT AND SERVICE SPECIFICATIONS, QUALITY AND SERVICE REQUIREMENTS

1. PRICING

WSCA is requesting a discount off of the MPL for all products offered as listed in each of the sub-categories. Each sub-category may or may not have a different discount offered. WSCA pricing will be determined by taking the MPL price less the discount offered to determine the WSCA price. The desire of WSCA and the purpose of this RFP are to obtain the lowest prices offered as compared to but not limited to any other State or Federal Government entities for the same product or service.

In order to determine the most advantageous pricing, a “Product List” has been developed listing some products that may or may not have been purchased over the last year. Offerors are to provide their MPL cost, their bid discount, and the total net product cost. OFFERORS MAY NOT OFFER SPECIAL PRICING FOR THE PRODUCTS ON THE “PRODUCT LIST”. The “Product List” is Attachment B of this RFP and will be required to be completed by the Offeror as part of their bid response.

Offerors may not net price any products listed on Attachment B even if products listed in Section B4 are considered in the national school bus program . These tires must be bid by a percentage off MPL as stated in the solicitation. Other tires that are part of the National School Bus Program and are not listed on Attachment B can be net priced as listed.

1.1 Pricing Offered in Response: Prices listed in Offerors response to this solicitation must take into consideration all inherent costs of providing the requested goods and services. The Offeror agrees to pay any and all fees, including, but not limited to: fuel surcharges, delivery and transportation costs, duties, custom fees, permits, brokerage fees, licenses and registrations. The WSCA Participating States will not pay any additional charges beyond the price(s) listed in the response, unless otherwise provided for by law or expressly allowed by the terms of the solicitation.

FOR TIRE RELATED SERVICES

The State of Michigan has entered into a Contract with Michelin North America, Inc. Specific independent Dealers will be authorized by Michelin to provide tires and tire services related to purchasing the tires (mounting tires, rotating tires, etc.). ("Dealer(s)" herein includes Michelin authorized dealers)

This Dealer Agreement identifies the responsibilities of the Dealer for the services provided by the Dealer. Dealers will need to sign the Dealer Agreement before the Dealer will be authorized to provide services to the State of Michigan. This Agreement will be effective on the last signature date below.

The Dealer agrees to the following:

1. PROFESSIONAL SERVICES.

Dealer warrants that all services shall be performed in a professional and workmanlike manner consistent with standard industry practice; and in accordance with any approved Statement of Work, if applicable. Dealer agrees to abide by all applicable laws, regulations, and industry standards when performing services for the State of Michigan.

2. INSURANCE REQUIREMENTS.

The Dealer will agree to carry all insurance that may be required by federal and state laws, state and city ordinances, charters, regulations, and codes. The Dealer certifies that it has now and will continue to have in full force and effect the following certificates of insurance. Copies of the insurance certificates shall be provided to the State of Michigan within ten (10) business days of this Dealer Agreement being executed. All insurance shall be issued by an insurance company authorized by the Insurance Department to transact business in the State of Michigan. No policy shall expire, be canceled, or materially changed to affect coverage available to the State without thirty (30) days written notice to the State.

a. **Liability insurance:** a certificate of insurance evidencing insurance coverage for general liability including contractual liability, written on a comprehensive form with coverage for personal injury and a limit of liability of at least \$1,000,000 for bodily injury, property damage and personal injury.

b. **Worker's compensation and employer's liability:** a certificate of insurance evidencing statutory coverage for worker's compensation coverage, injury and a limit of liability of \$1,000,000 for employer's liability, or a letter of certification from the industrial commission that the Dealer is an authorized self-insurer.

c. **Garage liability including Garage Keepers Legal Liability:** a certificate evidencing coverage with a minimum limit of \$100,000 and to include loss of use of state operated vehicle(s).

3. HOLD HARMLESS.

The Dealer shall release, protect, indemnify and hold the State and its officers, agencies, employees, harmless from and against any damage, cost or liability, including reasonable attorney's fees for any or all injuries to persons, property or claims arising from acts or omissions of the Dealer, its employees, subcontractors, or volunteers.

4. CONTRACT WITH Michelin

The Dealer agrees to abide by the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002.

5. ADDITIONAL CONTRACT TERMS INVALID.

The Dealer agrees that the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002 reflect the entirety of the agreement between the parties, including the Dealer, with respect to the subject matter of all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Terms and conditions inconsistent with, contrary or in addition to the terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002, together with its exhibits are invalid. Terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002, together with its exhibits shall not be added to or incorporated into any subsequent purchase order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of the Contract between Michelin and the State of Michigan resulting from State of Utah Bid RT12002, together with its exhibits shall prevail and govern in the case of any such inconsistent or additional terms.
