Subject: Resignation from LDFA Board

Dear fellow LDFA board members:

This is email is my formal resignation from the LDFA board, effective April 30, 2020. For more than eight years I've been proud to serve the Ann Arbor-Ypsilanti region with a dedicated group of citizens focused on building a long-lasting tech-based economy and a strong economic engine in the region. Through many changes, much growth, and intensive strategic planning, it has been a significant amount of worthwhile work that has yielded incredible results.

In the future I'll be working out of the area (but still living here), so please continue the great work of the LDFA – which will be more important than ever as we take steps to recover from the pandemic.

Wishing you all safety and good health in 2020.

Paula Sorrell, *Director, Economic Growth Institute*

University of Michigan

506 E. Liberty | 3rd Floor

Ann Arbor, MI 48104
