A 10-1333 Discussion re: Glen Ann Site Plan Extension Consideration

DISCUSSION BY THE COMMISSION

The Commission discussed whether building code changes could change the exterior of the building, and whether material or design changes to the approved plan would require a return to the Commission. Kevin McDonald, Senior Assistant City Attorney, said that changes would require a new application to the HDC, and maybe to City Council. The Commission discussed the previous Commission decision and what was being requested in this application.

A motion was made by Chair Ramsburgh, seconded by White to extend the approval of the Glen Ann Place site plan for a period of two years. On a roll call, the vote was as follows with the Chair declaring the motion carried
