INDEPENDENT AUDITOR'S REPORT

To the Partners Swift Lane Limited Dividend Housing Association Limited Partnership

Opinion

We have audited the accompanying financial statements of Swift Lane Limited Dividend Housing Association Limited Partnership (a Michigan limited partnership), which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of operations, partners' equity (deficit) and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Swift Lane Limited Dividend Housing Association Limited Partnership, as of December 31, 2023 and 2022, and the results of its operations and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Swift Lane Limited Dividend Housing Association Limited Partnership and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Swift Lane Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern within one years after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement due to fraud is higher than for one resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Swift Lane Limited Dividend Housing Association Limited Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Swift Lane Limited Dividend Housing Association Limited Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - ORGANIZATION AND NATURE OF OPERATIONS

Swift Lane Limited Dividend Housing Association Limited Partnership (the Partnership) was organized as a limited partnership on September 14, 2015, which certificate was amended effective March 23, 2016, under the laws of the State of Michigan for the purpose of developing, constructing, and operating a 64-unit residential apartment development consisting of 5 buildings on two separate sites, located in Ann Arbor, Michigan known as Swift Lane Apartments (the Project). 44 of the units of the Project have Section 8 Project Based Vouchers through the U.S. Department of Housing and Urban Development (HUD) Rental Assistance Demonstration Program (RAD). The remaining units have Project Based Vouchers through the Ann Arbor Housing Commission, an affiliate of the General Partner, so that 100% of the units of the Project have rental subsidies for a period of no less than 15 years. The Partnership commenced principal operations upon completion of construction in December 2020.

Swift Lane GP, LLC is the General Partner of the Partnership. The original operating agreement of the Partnership dated September 15, 2015 was amended on February 25, 2019 (date of investor entry) to permit the entry of First Sterling 195 LLC (Investor Limited Partner) and Sterling Corporate Services LLC (Special Limited Partner) and to permit the withdrawal of Ann Arbor Housing Commission (Withdrawing Partner). Profits and losses and low-income housing tax credits will generally be allocated 99.98% to the Investor Limited Partner, 0.01% to the General Partner and 0.01% to the Special Limited Partner. The cumulative capital contributions of the members to the Partnership as of December 31, 2023 and 2022 are as follows:

 2023		2022
\$ -	\$	-
13,442,948		12,993,782
 -		-
\$ 13,442,948	\$	12,993,782
\$	<u> </u>	<u> </u>

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Partnership prepares its financial statements on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America (GAAP).

Cash and Restricted Cash

Cash and restricted cash as of December 31, 2023 and 2022 consisted of the following:

	2023		 2022
Cash	\$	174,113	\$ 182,953
Restricted deposits and funded reserves		682,472	 650,808
Total cash and restricted cash shown on the statement of cash flows	\$	856,585	\$ 833,761

Tenant Receivables

Tenant receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of accounts by management. GAAP requires that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Rental Property

Rental property is recorded at cost. Depreciation is provided for in amounts sufficient to relate the cost of the depreciable assets to operations over their estimated service lives using the straight-line method. Improvements are capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Estimated service lives are as follows:

Building and improvements	20 - 40 years
Land improvements	15 years
Furniture, fixtures and equipment	5 years

Upon disposal of depreciable property, the appropriate accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the accompanying statements of operations.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2023 and 2022

Impairment of Long-lived Assets

The Partnership reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment losses have been recognized during the years ended December 31, 2023 and 2022.

Debt Issuance Costs

In accordance with GAAP, debt issuance costs are be presented as an offset of the related debt instruments within the liabilities section of the accompanying balance sheets. GAAP requires that the effective interest method be used to amortize debt issuance costs; however, the effect of using the straight-line method is not materially different from the results that would have been obtained under the effective interest method. Debt issuance costs are being amortized using the straight-line method over the term of the mortgage and amortization of debt issuance costs is included in interest expense on the accompanying statements of operations.

The Partnership has incurred and paid debt issuance costs of \$166,322 that are associated with the permanent loan. Amortization expense for the years ended December 31, 2023 and 2022 was \$11,088 and \$11,088, respectively. Estimated annual amortization expense for each of the next five years is expected to be \$11,088.

Tax Credit Fees

Tax credit fees of \$99,220 were capitalized and are being amortized using the straight-line method over the mandatory fifteen-year compliance period. Amortization expense for the years ended December 31, 2023 and 2022 was \$6,615 and \$6,615, respectively. Accumulated amortization was \$20,396 and \$13,781 as of December 31, 2023 and 2022, respectively. Estimated annual amortization expense for each of the next five years is expected to be \$6,615 each year.

Rental Income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Partnership and the tenants of the property are operating leases and the terms are typically one year or less.

Ground Lease

The Partnership accounts for its ground lease with Ann Arbor Housing Commission (the Lessor) as an operating lease. The ground lease commenced on February 25, 2019 and will expire on December 31, 2118. The Partnership pays the Lessor annual base rent, as defined, of \$1 (see Note 8). The

NOTES TO FINANCIAL STATEMENTS - CONTINUED

adoption of the new accounting principle does not result in any change in accounting for the lease in the accompanying financial statements.

Advertising Costs

The Partnership's policy is to expense advertising costs when incurred.

Income Taxes

The Partnership has elected to be treated as a pass-through entity for income tax purposes and, as such, is not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to and are reported by its owners on their respective income tax returns. The Partnership's federal tax status as a pass-through entity is based on its legal status as a limited liability partnership. Accordingly, the Partnership is not required to take any tax positions in order to qualify as a pass-through entity. The Partnership is required to file and does file tax returns with the Internal Revenue Service and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Partnership has no other tax positions which must be considered for disclosure. Generally, income tax returns filed by the Partnership are subject to examination by the Internal Revenue Service for a period of three years. While no income tax returns are currently being examined by the Internal Revenue Service, tax years since 2020 remain open.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 5 - RELATED PARTY TRANSACTIONS

Developer Fee

The Partnership entered into a development agreement with Norstar Development USA, L.P., an affiliate of the General Partner, and Ann Arbor Housing Development Corporation, an affiliate of the General Partner (collectively, the Developers). The agreement provides for developer fees and overhead in the amount of approximately \$1,500,000 or such greater or lower amount as may be permitted by the State Housing Finance Agency, for services in connection with the development of the Project and the supervision of construction. The developer fee is earned by the Developer as certain milestones are achieved as defined in the development agreement. The developer fee is to be paid from capital contributions from the Investor Member pursuant to the amended and restated operating agreement, with any unpaid portion remaining deferred and payable from available cash flow, as defined, but in no event later than the thirteenth anniversary of construction completion, as defined. Any unpaid portion deferred does not bear interest. As of December 31, 2023 and 2022, developer fees of \$1,500,000 and \$1,500,00, respectively, have been earned and paid.

The incentive management fee, which is not cumulative, is equal to 90% of the available cash of the Partnership remaining after payment of other fees and distributions as required by the amended and restated partnership agreement, but in no event more than 8.00 percent of effective gross income, as defined in the amended and restated partnership agreement. For the years ended December 31, 2023 and 2022, no incentive management fees were incurred or paid.

Operating Deficit Loan

Pursuant to the amended and restated partnership agreement, the Managing Member will be required to contribute funds to the Partnership as an operating deficit loan for any operating deficits that exist in the maximum amount of \$325,000. There were no operating deficits funding outstanding as of December 31, 2023 and 2022.

NOTE 7 - COMMITMENTS AND CONTINGENCIES

Low-income Housing Tax Credits

The Project's low-income housing tax credits will be contingent on its ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with occupant eligibility and/or gross rent or to correct noncompliance within a specified time period could result in recapture of previously taken credits plus interest. In addition, such potential noncompliance may require an adjustment to the contributed capital by the Investor Member.

Property Use Restrictions

Pursuant to the loan agreements and the underlying restrictive covenants, the Partnership, among other things, is required to rent its units to qualifying tenants who meet certain low-income requirements throughout the terms of the agreements, as defined.

NOTE 8 - GROUND LEASE

The Partnership accounts for its ground lease with Ann Arbor Housing Commission (the Lessor) as an operating lease. The ground lease commenced on February 25, 2019 and will expire on December 31, 2118. The Partnership pays the Lessor annual base rent, as defined, of \$1.

NOTE 9 - CONCENTRATION OF CREDIT RISK AND MAKRET RISK

The Partnership maintains its cash, restricted deposits, and reserves with financial institutions. The bank balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 at each bank. At times, these balances may exceed the federal insurance limits; however, the Partnership has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these bank balances at December 31, 2023 and 2022. As of December 31, 2023 and 2022, the cash balances of the Partnership exceeded the FDIC insured limit by \$215,008 and \$232,273, respectively.

The Partnership's sole asset is a 64-unit apartment project. The Partnership's operations are concentrated in the multifamily real estate market. In addition, the Partnership operates in a heavily

regulated environment. The operations of the Project are subject to the administrative directives, rules and regulations of Federal, State, and local regulatory agencies. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by Federal, State, and local regulatory agencies. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional burden, to comply with a change.

NOTE 10 - SUBSEQUENT EVENTS

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of Swift Lane Limited Dividend Housing Association Limited Partnership through February 28, 2024 (the date the financial statements were available to be issued) and concluded that no subsequent event has occurred that would require recognition in the Financial Statements or disclosure in the Notes to the Financial Statements.
