1	I'm not a fan of Pickleball, and since it's a fast sport, I can only imagine the interference there will be when the ball rolls into the tennis courts, or vice-versa. I don't think it can exist next to each other, unless there was a fence that divided the two courts. I prefer all tennis. There isn't any good tennis courts in the north part of Ann Arbor. Many of us have to travel to Burns Park, Veterans or to the high schools to play.	1/12/2017 8:46 AM
2	At least 2 tennis court! I am playing there on spring/ summer when North side is taken and 1 court will not be enough since i have seem multiple time 2 or 3 court used even if the court were in really in bad shape...	1/11/2017 7:07 PM
3	Neither of these appeal to us. Turn the area into a golf driving range and/ or a disc golf park! That would make money and keep the rif raf out of the park!	1/10/2017 4:03 PM
4	I HATE pickleball. There is plenty of room to the south of the tennis courts if you want to add a few pickleball courts, but leave the tennis courts alone! They are the only good courts on the north side of ann arbor.	1/10/2017 10:26 AM
