

AN ORDINANCE TO ADD A NEW CHAPTER 71 TO TITLE VI (FOOD AND HEALTH) OF THE CODE OF THE CITY OF ANN ARBOR.

The City of Ann Arbor Ordains:

Section 1. That a new Chapter 71 be added to Title VI of the Code of the City of Ann Arbor to read as follows:

CHAPTER 71. MEDICAL MARIJUANA BUSINESS LICENSES FOR CULTIVATION FACILITIES AND DISPENSARIES

6:413. Legislative Intent.

The City intends to license and regulate medical marijuana cultivation facilities and dispensaries to the extent they are permitted under the Michigan Medical Marijuana Act. The City does not intend that licensing and regulation under this chapter be construed as a finding that such businesses are legal under state or federal law. Although some specific uses of medical marijuana are allowed by the Michigan Medical Marijuana Act, marijuana continues to be classified as a Schedule 1 controlled substance under federal law making it unlawful under federal law to use, manufacture, distribute, or dispense marijuana, or to possess it with intent to manufacture, distribute, or dispense. By requiring a license and compliance with requirements as provided in this chapter, the City intends to protect to the extent possible the public health, safety and welfare of the residents of and visitors to the City, including but not limited to medical marijuana patients, from harm that may result from the activities of persons who unilaterally or on the advice of their own attorney determine that they may legally operate a medical marijuana cultivation facility or dispensary.

6:414. Definitions.

- (a) All words and phrases used in this chapter shall have the same meaning as defined in Chapter 55 (Zoning), Section 5:50.1 (Regulations Concerning Medical Marijuana).
- (b) *Medical marijuana cultivation facility* means a structure or each space in a structure that is separately owned or leased by a person other than the owner of the structure, in which marijuana plants are being cultivated other than as a medical marijuana home occupation.
- (c) *Dispensary* means a medical marijuana dispensary.
- (d) *Physician* means an individual licensed as a physician under Part 170 of the public health code, 1978 PA 368, MCL 333.17001 to 333.17084, or an osteopathic physician under Part 175 of the public health code.
- (e) *Authorized person* means:

Any license terminated during the license year returns to the City for possible reissuance. A business that is a combined dispensary and cultivation facility shall require two separate licenses.

(5) The license requirement set forth in this chapter shall be in addition to, and not in lieu of, any other licensing and permitting requirements imposed by any other federal, state or local law.

(6) The issuance of any license pursuant to this chapter does not create an exception, defense or immunity to any person in regard to any potential criminal liability the person may have for the production, distribution or possession of marijuana.

(7) The City Council will establish a licensing board to consist of one member of Council, one physician, one medical marijuana caregiver; these are Mayoral appointments.
