RE: FAA Airspace Case #: **2013-AGL-5462-OE**

The Michigan Department of Transportation, Office of Aeronautics, has received an application for a permit to erect or modify a structure in the vicinity of your airport. The tall structure proposal is described in the enclosed Obstruction Evaluation (O/E) study, which was received from the FAA. The O/E study contains information taken from the proponent's filing of an FAA Form 7460-1, 'Notice of Proposed Construction or Alteration.' The purpose of this mailing is to apprise you of the proposal, and does not require action on your part.

Questions regarding this matter may be directed to:

Linn P. Smith
