

Katarina T. Borer
1724 S. University Ave
Ann Arbor, MI 48104

December 15, 2012

I have lived at this address [straight across 1619 S University] since 1971. This rooming house has routinely been the disruptive influence with noisy, overflow porch parties. I have called the police on numerous occasions to be able to sleep at night.

Claiming that they would not add tenants when they add a room is ridiculous. I strongly oppose adding a room and more people to this grandfathered tenement house that exceeds zoning requirements.
