Council Chambers Art Update - Megan Winkel, Ann Arbor Art Center Gallery Director

REPORT FROM STAFF

Manhole Art Winners: Top three winners have been selected; notifications and press release will be shared soon.

Arbor Winds Replacement Glass: Funds are available to move forward with the replacement of the damaged glass panel. City staff working on the details of laser etching with a glazing company in Lansing.

Sidewalk Stamped Art: After review from the City Attorney, the consensus is that any non-uniformities on the surface of a sidewalk create potential maintenance issues and could possible create trip hazards. At this time, it is not advisable to move this project forward.

Bloomberg Philanthropies Public Art Challenge: This is a proposal for temporary public art projects where Bloomberg will donate up to \$1 million each to three cities. Mayor Taylor has approved participation in this challenge. While this is a short deadline, staff is moving forward and sending out notification to the art community within Washtenaw County.
