The Ordinance Revisions Committee (ORC) is a standing subcommittee of four Planning Commissioners. The ORC only discusses and makes suggestions about revisions to the Unified Development Code. The ORC does not take votes or make final decisions except to determine when a revision is ready for a public hearing and consideration by the full Planning Commission at a regular meeting.

ORC meetings are typically held on the fourth Tuesday of each month and are open to the community but are not recorded or broadcast*. Audience members are invited to address the ORC for up to 3 minutes at the end of each meeting. As always, written comments may be emailed to Planning Services: planning@a2gov.org.

*This meeting is now available for live listening and public comments by calling into the phone number and using the meeting ID code provided above, in accordance with the current "Stay Home, Stay Safe" orders.
