Karen,

Thank you for contacting the City of Ann Arbor Transportation Commission. Your input will be provided as a communication item on the December 15 Transportation Commission agenda. Please be advised these segments are identified in the City's transportation plan for adding sidewalks. Please note however, there are several issues including physical constraints, environmental considerations and construction feasibility that will need to be addressed as part of the project consideration to adding these missing segments into our sidewalk system.

Transportation staff are copied here so that they are also aware of your concern regarding the need for sidewalks along these roads.

Hi there,

I would like to suggest sidewalk along Geddes Rd. between Earhart and Huron Parkway and sidewalk along E. Huron River Dr. between Huron Parkway and Hogback.

Is there plans to add sidewalk along these sections?

Thank you,

Karen Sanders
