Hey,

As I've let you know before now, I am stepping down from the Committee - and I would like to make this my official resignation email / notice, effective immediately. I had hoped to find a replacement before I left, but I don't want to delay making the shift any longer.

I'd like to thank all three of you for ALL that you do for ICPOC. I am - and will always be - a little in awe of each of you, and forever grateful for the work you've done (and continue to do) for the community.

I will still work on a couple of write ups on the budget and training processes, so you have that captured. And I am definitely always available by phone or email if I can help chat through anything etc (to the extent that's appropriate of course).

I hope we can stay in touch as well!

Thank you,
jude
