Dear fellow Dean Fund members,

I am going to have to resign immediately from my position due to a divorce and future move to North Carolina, where my youngest daughter lives.

It has been a pleasure to work with all of you on our street and park trees. I have learned so much from all of you and appreciate the time I served.

Thank you for all you do for EDFC, Tiffany. Do I need to send this to the Clerk or anyone within the City boards and commissions dept? Just let me know.

Again, thank you friends,

Beth
