

Fundraising Working Group

What is the goal to be accomplished by the end of calendar year?

Our goal is to raise a minimum of \$90,000 in gifts and pledges to provide initial funding for the Center of the City Central Park and Civic Center Commons design and development study.

What is the roadmap to accomplishing this goal?

Before the end of 2022, selected individuals and community organizations are being asked to consider financial support of the design and development study.

How does the work provided in the aforementioned questions further the formal planning process for the park?

Securing funding for the study is critical to advance the formal planning process for the Center of the City.
