**The following changes and clarifications are provided for Questions/Answers 4-6 on Addendum No. 1.**

Question 4: Will Railroad ROW permits (and corresponding costs) will be handled by the City?

Answer 4: City will pay all direct costs associated with Railroad permits, inspection, and insurance. The Contractor will be responsible for coordination with the Railroad, obtaining all necessary permits before beginning work within the Railroad ROW, and any indirect costs (e.g. required training, administration) associated with obtaining Railroad ROW permits.

Question 5: How will Railroad Insurance (if required) be handled in the Contract?

Answer 5: To be coordinated by the Contractor during the Railroad permitting process. Direct costs to be paid for by the City.

Question 6: How will Railroad Inspection (if required) be handled in the Contract?

Answer 6: To be coordinated by the Contractor during the Railroad permitting process. Direct costs to be paid for by the City.

Offerors are responsible for any conclusions that they may draw from the information contained in the Addendum.
