Subject: U Of M credit union in Plymouth Road drive-through

To whom it may concern:

I strongly support the drive-through banking proposed by the UOfM credit union on Plymouth Road.

Drive-through services are essential for people with mobility issues, the elderly, and are just helpful in a cold, snowy climate

Drive-through services do not create more traffic. If you're going to bike or ride to the bank, drive-through service does not interfere with that.
