Subject: UMCU on plymouth

Hello,

I would like to confidentially provide input as a resident of the neighborhood next to the proposed site. I have heard some other neighbors suggest alternate plans for the proposed development on the corner of Plymouth rd and Prairie streets. I fully support this becoming a UMCU branch over those other suggestions. There will be less traffic and other congestion issues with a bank than a daycare, mixed use development, etc. I think that particular location is best suited for a single story building. Full disclosure: I am a UMCU member and a resident of the neighborhood there.
