The above prices do not include applicable sales or use taxes and it has been noted that the City is Tax Exempt

The above prices do not include any special, modified, or custom documentation or manuals that may be required. Standard ADS Environmental Services manuals, appropriate to the flow monitors, delivered, are included with the equipment and can be downloaded at [www.adsenv.com](http://www.adsenv.com)

The Conditions of Sale for purchase of ADS Products can be found at:

<http://www.adsenv.com/equipmenttermsandconditions>. This includes all information about the hardware warranty period for ADS monitoring equipment

Warranty Terms: All new products manufactured by ADS will be free from defects in material and workmanship for up to one (1) year following the date of shipment from ADS. Any unauthorized repair or replacement, use, installation or incorporation of unauthorized parts or accessories, including without limitation opening up a monitor, will void this product warranty. Any repair or replacement will be covered by this new product warranty for ninety (90) days from the date that such repaired or replaced product is shipped from ADS. This warranty does not apply to damage by catastrophies of nature, fire, explosion, acts of God (including but limited to, lightning damage and power surges), accidents, improper use or service, damage during transportation, or other similar causes beyond ADS's control

(90) days from the date that such repaired or replaced product is shipped from ADS. This warranty is available to the Client as the original purchaser of the product and only if it has been installed, operated, and maintained in accordance with ADS' standards. This warranty does not apply to damage by catastrophes of nature, fire, explosion, acts of God (including, but not limited to, lightning damage and power surges), accidents, improper use or service, damage during transportation, or other similar causes beyond ADS' control.

ADS uses FedEx and/or UPS for all Shipping (Ground) to the Field Office performing the installation work (Troy, MI). Hardware is typically shipped within 30 days of ADS receiving a purchase order/signed agreement for the project. Field installation work will be scheduled between ADS and the Owner/Client.
