PETITION

Petitioner, Woodland Meadows Venture LLC, through its representative, Paradigm Tax Group LLC, petitions this Tribunal as follows:

1. Petitioner is a corporation whose principal office address is 33 North Dearborn St., Suite 1200, Chicago, IL 60602.
2. Respondent, City of Ann Arbor, levies and collects the property taxes on the subject property.
3. The properties identification numbers are attached as Exhibit A. The properties are classified as residential real property. Petitioner's properties are presently used for residential use. Petitioner believes that Petitioner's properties were originally designed to be used for residential use.
4. The subject properties were placed into receivership to the following entity; Marquette Condominium Investors LLC, 15 W. Jefferson Ave. 2nd Floor, Naperville, IL 60540. Other party of interest includes Bank of America, 135 S. LaSalle St., Suite 2140, Chicago, IL 60603.

5. The property is located in Washtenaw County and the school districts of Ann Arbor and Washtenaw Intermediate and Washtenaw Community College.
6. This matter involves issues relating to: (a) valuation, (b) assessment, (c) taxable value, and (d) uniformity.
7. For tax year 2008, Respondent determined assessed, state equalized and taxable values as listed on Exhibit B. Based on a 1.00 equalization factor, the current assessments project true cash values as listed on Exhibit B.
8. Petitioner's contention of true cash value of the subject properties, as of December 31, 2007 is listed on Exhibit C which would yield state equalized, assessed and taxable values as listed on Exhibit C, based on a 1.00 equalization factor.
9. Based on the current assessed, state equalized and taxable values and Petitioner's contention of assessed, state equalized and taxable values, the assessed, state equalized and taxable values in contention are listed on Exhibit D.
10. Petitioner's contention is that, in contravention of MCLA 211.27 and MCLA 211.27a, the assessment on the roll exceeds 50% of the subject property's "cash value," which is statutorily defined as the usual selling price at the place where the property to which the term is applied is at the time of assessment, with selling price being the price that could be obtained for the property at a private sale and not at a forced sale, and that the true cash value of the properties is no higher than the amounts listed on Exhibit C.
11. The 2008 assessment imposed on the subject properties and the taxes levied and collected are invalid for the reasons that:
 - (a) The equalized assessment of the property is more than fifty percent (50%) of its true cash value in violation of applicable statutory and constitutional limitations;
 - (b) The assessment on the property is unlawful and is based upon the application of the wrong principles and thereby operates as a fraud upon the taxpayer;
 - (c) The property is assessed in a discriminatory manner in that the assessment is at a higher level of true cash value than the average level of assessment within the assessment district.

WHEREFORE, Petitioner respectfully requests that the Tribunal:

1. Take jurisdiction to review the 2008 assessed, state equalized and taxable values placed against the properties covered by this Petition.
2. Determine that the 2008 assessed, state equalized and taxable values for the properties covered by this Petition should be no higher than the amounts listed on Exhibit C.
3. Order that Respondent pay to Petitioner the refund attributable to the reductions in value, plus interest and costs.
4. Order such other and further relief as this Honorable Tribunal deems just and/or equitable.

Respectfully submitted this 30 of July 2008:
