

Attention:

Mayor Christopher Taylor

301 E. Huron Street 48104

Ann Arbor, MI 48104

Dear Mr. Mayor

My name is David Roman Moya and I have recently moved back to the First Ward community in Ann Arbor. As a native of Ann Arbor, I grew up in the First Ward during my childhood years. My grandmother only recently sold her home there to retire and move south for the winters.

I would like to submit the following as my letter of intent to apply for the position of 1<sup>st</sup> Ward City Council Member for the Ann Arbor City Council.

In this position, the Ann Arbor City Council needs someone with the energy and drive to sustain the Council's progressive ambitions through an effective use of communications techniques, including the engagement with concerned citizens relating to issues the Council is currently working on and striving to progress towards over the next year.

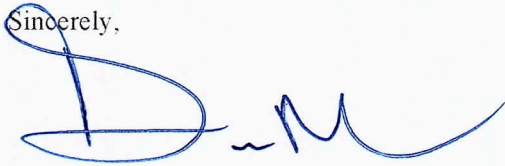

I am confident that I am that person.

The vision of the Ann Arbor City Council is to have strong, dynamic, active leaders who champion and foster core common sense principles in the City of Ann Arbor and County of Washtenaw. A core value of the Ann Arbor City Council is community engagement through volunteer service projects, and acting as an ambassador for public safety, environmental issues, and citizen unity.

I understand if chosen, this is an awesome responsibility. I believe I will be an asset to our city as 1<sup>st</sup> Ward City Council member because I am passionate about politics and believe there is a great value for our democracy in encouraging young professionals to be more involved within the political system.

My extended experience in healthcare management and communication coordination through my work as an entrepreneur, business owner, lobbyist, author, and advocate for the adult-use of medical marijuana have helped me shape a unique perspective that encourages the need to adopt habits that lead people to live with a better quality of life.

Sincerely,

David Roman Moya
