

Market Manager Report

Presented June 15, 2017

Partnerships

- Give 365, the City's volunteer program, ran kid's activities for us at the last Food Truck Rally and will be back during Rallies in July and August
- Received \$50,000 grant from Fair Food Network to continue the Double Up Food Bucks program. The grant will be reviewed by City Council on June 19th.

Operations

- Music on Wednesdays along 4th St
- Purchased two carts for customers and vendors to use. Customers may "rent" the carts by leaving their ID at the office
- Market Infrastructure Memo – review what was received by Council and PMAC last week
- Yearly stall payments and food assistance token agreements due by July 1

Events

- The June 7th Food Truck Rally was a success. We will be adding more trucks because we had such a high attendance
