

POLICY AGENDA ACTION ITEMS (updated 2/6/18 – updates shaded in yellow)			
AREA	DATE IN	ACTION	STATUS
<b><i>Create and sustain an affordable and welcoming community</i></b>			
Strongly support federal and state funding for affordable housing and oppose reductions for established and effective programs.	170619	Monitor activity at state and federal levels.	Federal government may reduce reimbursement of overhead costs. Potential impact to AAHC budget of \$130,000 in FY19. Proposed using approved millage to address operating shortfalls as a stopgap.
	170925	Pursue funding under 2017 Mayors Challenge from the Bloomberg Foundation	Council approved submittal of a Mayors' Challenge grant application at the 10/16 meeting. Grant has been submitted and waiting results for award of a planning grant.
Collaborate with Washtenaw County on the development of the County Farm/Platt Road site to provide a significant and sustainable affordable housing component.	170420	Monitor status with County and participate in zoning and permitting.	County has received offers and has selected the Veridian proposal as the successful offeror. However, the County has not yet made award. City staff has met with Veridian developer to discuss requirements of its proposal. Further action waiting closing of County sale agreement.
Support and advocate for the ability of cities to incorporate inclusionary zoning practices into their land development codes.	N/A	Monitor activity at state and federal levels.	No progress on initiatives to address rent control and/or inclusionary zoning.
Monitor and advocate for measures that protect the rights of Ann Arbor residents without regard to immigration status.	170620	Monitor activity at state and federal levels.	Monitor as ongoing concern.

POLICY AGENDA ACTION ITEMS (updated 2/6/18 – updates shaded in yellow)			
AREA	DATE IN	ACTION	STATUS
<b>Create and sustain local and regional mobility and safety</b>			
Monitor funding provided from distribution of fuel taxes from the state and actively support increases in the distribution to local government.	170124	Monitor Act 51 funding and distribution.	Governor is seeking to increase road funding in upcoming FY budget. Communicated concerns to GCSI for more information.
Monitor and advocate for the award of federal, state, and county funds for the advancement of infrastructure projects that promote transportation system capacity improvements, transit enhancement, and active transportation (including bicycle facilities, safe pedestrian movement, and urban trails).	170627	Adopt NACTO as City standard.	Staff action to coordinate with Transportation Commission.
	170321	Pursue funding for non-motorized projects. (e.g. BTB trail, SRTS)	MDNR grant for berm opening project awarded. Project anticipated to commence in the upcoming construction season.
Monitor and advocate for the award of federal, state, and county funds for the advancement of infrastructure projects that promote transportation system capacity improvements, transit enhancement, and active transportation (including bicycle facilities, safe pedestrian movement, and urban trails).	170925	Pursue P3 approach for Treeline Trail	Council adopted the Master Plan in December. Treeline Conservancy is preparing a Business Plan that for presentation to and discussion with the City.
	170523	Pursue legislation to increase fines and points for speeding in school zones	Follow-up required with state representatives.
	170124	Pursue funding for rail projects.	Public comment period closed on 11/2. Draft FONSI has been submitted to FRA and is pending FRA review.
	170925	North Main Street Improvements	City is participating with MDOT on non-motorized components of MDOT project. City participation will be required for other than roadway improvements.

POLICY AGENDA ACTION ITEMS (updated 2/6/18 – updates shaded in yellow)			
AREA	DATE IN	ACTION	STATUS
	170925	Federal Grants	Staff is exploring the potential to enter into a P3 to develop a Mobility Operating System with multiple partners. Initiative was not ready for the submittal of a TIGER grant at the end of October. Staff is working on a MOU with Deloitte to explore further and present to the Transportation Commission and Council.
Other Transportation Actions	170925	City-wide 25 mph speed limit.	Transportation Commission has appointed a subcommittee to investigate and make recommendations to Council.
	170925	Review needed capacity for downtown parking.	Parking status was presented at 11/16 Work Session with DDA. DDA Board has approved design of additional 375 spaces at Ann and Ashley lot. Agreement to make 20% revenue allocation to City will be presented to DDA Board and Council.
	180125	MIRS article dated Thursday, January 25 <sup>th</sup> states, “Governor Wants \$325M More Into Roads in FY ’19.” Under the 2015 \$1.2 billion road funding package, \$150 million in General Fund money is required to be put into the FY '19 budget, but Snyder wants to use \$175 million of the \$280 million in unallocated FY '17 lapsed money for roads. The move would move the projected 2020 General Fund allocation	I’ve asked GCSI to explore additional details as to where the funding would come from and how it would be applied. Although the article states, “The move, if adopted by the Legislature, is designed to be put into the Michigan Transportation Fund formula and split among state, counties and locals,” MDOT has stated that all funding it receives will go into interstate highways and state
