

## City Administrator's Report – March 19, 2018

Prepared for Council. Kindly forward questions, comments, or suggestions for input to [hlazarus@a2gov.org](mailto:hlazarus@a2gov.org) or [shiggins@a2gov.org](mailto:shiggins@a2gov.org).

### Safety Notes

Like most of Michigan, Ann Arbor is experiencing a freeze/thaw cycle that results in formation of potholes on our roads. The volume of potholes is much higher this year than in the previous two years. This is a direct result of the harsher winter we have experienced this season. Our crews are out making temporary repairs, as hot-mix asphalt will not be available for several weeks. Please report potholes to [A2 Fix It](#) and remember safety is not a campaign, it is a culture. Every action, every day, be safe!

## WIP (Work in Progress)

**List of Roads for Reconstruction, Resurfacing and Preventative Maintenance for 2018.** The City of Ann Arbor has released the tentative list of roads to be part of 2018's reconstruction, resurfacing and preventive maintenance program. This year's construction season will see a complete reconstruction of North Fifth Avenue and Detroit Street in Kerrytown, in collaboration with the Downtown Development Authority, as well as resurfacing of 24 segments of road throughout the city. In addition, stretches of 44 major streets and local roads will have preventative maintenance performed, which takes only a few days to complete but will help extend their useable life and improve traveling conditions. [A map](#) (PDF) and more information about these and other road/utility projects in Ann Arbor can be found at [a2gov.org/engineering](http://a2gov.org/engineering).

The City received a tremendous response rate. The application period closed on March 2, and applications are under review.

During a series of six weekly sessions, from March 28 to May 2, 6:30–8:30 p.m., participants will connect with city staff and elected officials and learn more about long-term city planning efforts, day-to-day operations and the importance of civic involvement.
