Thanks Candice - I'll be there to lead the March meeting.

I did want to let you all know that I will unfortunately need to step down from the ZBA after the May 22nd meeting. I found out this week that I was accepted into a grad program at UM and the classes/workload will conflict with my ability to attend the meetings. The program starts the first week of June. Please let me know if you need a formal resignation or something of the like and I'll be happy to provide. Additionally, I have an excellent recommendation for someone to fill the vacancy - Megan Peters - I believe she had submitted an application at Jon's suggestion a few years ago when there was a vacancy that Julie filled. I'd be happy to ping Megan about it to confirm she's still interested in serving if needed.

I'm bummed to step down but am sure this won't be the last time I serve the city. I've really enjoyed it and it's been a pleasure to work with you all.

Thanks,
Mike
