I am in utter disbelief of your comments! Please give me a call when you can!! What you said was totally racist and I don't know if you understand how. Would love to talk about it with you. You must come back to the table and apologize. It was totally racist. I'm not looking to call you out on social media. I'd rather build with you and offer a lesson if you're humble enough to receive it. Thanks in advance!

Absolutely blown away,
