Sole Source Agreements

City of Ann Arbor,

Yunex Traffic, formerly Siemens Mobility, is the sole distributor authorized to sell, install, and support the following products within the state of Michigan for all transportation related projects:

Siemens Traffic Controllers
Siemens SCOOT (Split Cycle Offset Optimization Technique) License
Siemens TACTICS License
Siemens 360 Service Support

Additionally, Yunex Traffic is the sole distributor in the state of Michigan for the following products purchased by City of Ann Arbor:

Mobotrex Cabinets
Eagle Traffic Signals
Carmanah Radar Speed Signs
TAPCO RRFB (Rectangular Rapid Flashing Beacons)
Bosch Hemispherical Vehicle Detection

If there are any questions or concerns regarding our Sole Source Agreements, please feel free to contact me.

With kind regards,

Jon Buckles
Head of Operations, Michigan
