refreshments, water for purchase, bake sale  
entertainment and food trucks  
soap box on center of city stone for anyone to speak with a webcam on it so all can see, 5 minute limit  
more people

**Do you know what the Ann Arbor commons is?**

yes //////////////// 14 no ////////// 8 no answer // 2 yes, do now 1

**What are you most interested in that nonprofits, the City, or the Private Sector are not providing...?**

connectivity, much better across class lines, sometimes you are cool, and at times call for you to be  
much more effective  
public power, more outdoor seating, public bathroom  
bathrooms, stage with good sound systems, redesign the performance space for better visibility  
the City should replace the low income housing lost when the YMCA was demolished  
promotion of these events thru City on-line, bulletin boards and social media, also to campus area  
I think there is not enough of it, we need more  
ample push back to impede the relentless "progress" that has changed the character of the A2 that I  
came to love 1970-2000  
those (child care elder care) and more free community events like this  
kids activities  
permanent tables and chairs and restrooms on center of city  
CMH aid, childcare  
this singing from her, great  
a fountain and permanent seating at the commons  
enthusiastic PUBLIC support from City government leadership  
not sure  
?  
don't really know  
n/a restaurants on Liberty etc, Earthen Jar, Jerusalem Garden should face the town square, (a better  
description than the commons or center of the city)  
get rid of the surface parking (not just on Sunday) and put down brick or pavers, get rid of the tiny  
trees/big bushes that occupy the middle of the space and break it up,  
redesign central elevator thing, stage, restrooms, covered bandshell like West Park bandshell.
