RESOLUTION TO AMEND THE EXECUTIVE AND PROFESSIONAL PAY PLANS OF THE CITY CONSISTENT WITH REORGANIZATION OF THE CITY ATTORNEY'S OFFICE

Whereas, The City Attorney was directed by City Council to evaluate the current structure of the Office of the City Attorney and make recommendations to Council related to its organization;

Whereas, The City Attorney has completed his initial evaluation and identified a need for immediate changes to the professional classifications of the positions of Assistant City Attorney and Legal Assistant for the following reasons:

## 34 Council - August 4, 2003

\_\_\_ Proper classification of the positions in the City's pay structure will allow the City to retain experienced attorneys and improve the City Attorney's ability to recruit new talented attorneys in a competitive job market.

o Adjusting the pay range for the Chief Assistant City Attorney is consistent with the executive functions of the job description;

o Creation of the Senior Assistant City Attorney position is consistent with the level of training, expertise and legal advice provided to positions in the Executive Pay Plan by individuals who would qualify for this position;

o Retention of the Assistant City Attorney position provides the City Attorney with the ability to differentiate based on training, expertise and years of practice in establishing pay rates for attorneys;

\_\_\_ Although classified as part of the Professional Pay Plan, all current Assistant City Attorneys perform executive functions and provide legal advice to all the positions identified in the Executive Pay Plan;

\_\_\_ Legal Assistants provide specialized services recognized as such by the State Bar and interact with the public and those in the Professional Pay Plan on levels consistent with positions included in the Professional Pay Plan;

\_\_\_ These classification changes are clearly warranted by the relevant market analyses; and

Whereas, The City Attorney has recommended the Professional Pay Plan and Executive Pay Plan currently adopted by the City be amended as follows:
