The letter to the AAATA was successful, and a few board members are very interested to talk to the Commission about best practices. The meeting with the board members will hopefully be discussed at the next commission meeting.

W. Resendes gave an update on the Closed Captioning Ordinance. He was invited to attend the Cable Commission meeting two weeks ago, so they could learn more about the Closed Captioning Ordinance. He was checking their budget for Closed Captioning, and he shared that there will be captioning starting at City Council meetings starting this Fall. He has asked for opinions on other boards or commissions of the City that should be closed captioned so he can report back to the Cable Commission. Z.
