VI OLD BUSINESS

VII NEW BUSINESS

New Business/ Chair Update

A. UMS Meter Replacement Update

- Around 5,000 meters still need replaced. A communication will be going out to these property owners, where possible surcharges and shut-offs may occur if the meters are not replaced. These property owners have been sent letter's four times (some certified).

- Suggestions for resources to get the information out included: next door, homeowner associations, building/property managers or maintenance person, and public spaces advertising (theaters).

- Rebecca suggested adding the info to the Water Quality Report and Water Matters.

21-1719

B. Complete Materials Inventory – Project Update

Verification process happens as the meter is replaced, around 5,000 remaining.

C. SL Replacement Update

- 135 have been replaced; a dozen on deck. Average of 5% per year should be replaced per the LCR.
- City has a contractor bid for replacement due next week.

D. EGLE Guidance

1. EGLE SDWAC Minutes

a. EPA LCR Listening Sessions

b. MDHHS outreach activities and filter distribution

E. Federal LCR Update

- Awaiting more information regarding the Federal LCR. Specifically outlining a process with the schools.
- MI LCR standards are stricter and are followed.

VIII NEXT AGENDA ITEMS

- Chuanwu Xi will review the wastewater study U of M is currently conducting.
- Molly Maciejewski will have updates on outreach efforts.
