UNFINISHED BUSINESS

- 1 Revised legislative priorities for the 2023 legislative session

Deputy City Administrator Fournier presented a newly revised version of the Council Policy Agenda that has been prepared to present at the Legislative Breakfast for Ann Arbor elected representatives to the Michigan Legislature.

Mr. Fournier directed the committee's attention to new priorities that had not been called out in the last document approved by this committee. The additions come as a result of the new opportunities that may exist in the 2023 session.

The committee was supportive of the document and suggested the following additions: repeal of PA 266 of 1988 eliminating rent control, addition of a section to address human rights, inclusion of worker's rights and repeal of local wage ordinance limitations, and support for broader city taxing authority and revenue sharing.

Councilmember Radina moved and Councilmember Watson seconded to approve the document with the requested additions.

Mr. Fournier will forward the final document to members in advance of the Legislative Breakfast.
