**Resolution to Accept an Easement for Sanitary Sewer at 2460 Prairie Court from Beverly A. Tucker (8 Votes Required)**

This easement was requested by Richard and Elsa Stuber to allow them to construct a public sewer over Ms. Tucker's property to serve the Stubers' property to the north at 2940 Bluett Drive. In addition to granting the City its standard sanitary sewer easement, this easement also grants the Stubers the right to construct a sewer in the easement provided the sewer is built to City standards, with City approval, and is conveyed to the City. The Stubers' right expires in 5 years, after which the easement would continue as a standard City easement.

Acceptance of the easement is recommended.
