Resolution to Approve Briarwood Lots 12 and 13 Hotels PUD Site Plan and Development Agreement, 8.28 Acres, 1301 Briarwood Circle (CPC Recommendation: Approval - 8 Yeas and 1 Nay)

Attached is a resolution requesting approval to construct two four-story hotels, consisting of 130 rooms in a hotel on the west side of the site and 97 rooms in a hotel on the east side of the site. The westernmost hotel will also have a pool and small restaurant for hotel guests. On-site parking containing 173 spaces will be provided, as well as an access easement for the use of 26 spaces in the Briarwood Mall parking lot.

A development agreement has been prepared that addresses public and private utilities, improvements to State Street and Eisenhower Parkway, preservation of woodland trees, a street tree planting escrow account, on-site storm water management, lawn care fertilizer use, State Street traffic mitigation measures, noise control, elevations, and footing drain disconnections. The City Attorney's Office has reviewed the agreement and the petitioner has acknowledged concurrence with its provisions.

The City Planning Commission, at its meeting of June 17, 2008, recommended approval of this proposal, subject to providing adequate sanitary sewer capacity and subject to contributing to the cost of mitigating traffic issues.
