Resolution to Approve 904 South Main Site Plan, 904 South Main Street (CPC Recommendation: Approval - 6 Years and 0 Nays)

Approval of this resolution will allow for the construction of a four-unit townhome structure with 8 enclosed vehicle parking spaces.

Petition Summary:

- The Site Plan proposes to construct a four-unit townhome building with 8 parking spaces located in garages under the residences (zoned R4C). A single family home is proposed to be removed from the site.

The Planning Commission reviewed the site and discussed the improvement to traffic visibility at the corner, and questions regarding the orientation of the buildings to Davis rather than Main Street. After consideration, the City Planning Commission recommended approval of this request on May 16, 2017.
