Resolution to Authorize a Sole Source Purchase Order to Michigan Lighting Systems East in the amount of \$185,060.00 for Spring City Street Light Poles and Associated Fixtures and Luminaires and to Appropriate \$120,000.00 from the Central Stores Unobligated Fund Balance **(8 Votes Required)**

Attached is a resolution for your approval for the purchase of 20 streetlight luminaires, 20 streetlight poles, and 22 streetlight bases for future installation along Stadium Boulevard. These poles, bases, and luminaires are of an ornamental nature and match those that are currently installed along Stadium Boulevard from South Industrial Highway to Main Street and Hutchins Ave to Maple Road. These poles and fixtures will be used as inventory to replace ones that are damaged in crashes or other instances that require their repair or replacement. The total estimated cost for the purchase is \$185,060.00.

Budget/Fiscal Impact: The funding for the purchase of these devices is partially included in the FY2025 approved Central Stores, Streetlight Inventory Operations and Maintenance Budget, the remainder is available in the Central Stores Fund Unobligated Fund Balance.

Michigan Lighting Systems East is the sole source provider of Spring City streetlight and fixture products. Charter language requires sole source procurements over \$25,000 to receive City Council approval.

Michigan Lighting Systems East complies with the requirements of the City’s Non-Discrimination Ordinance.
