Resolution to Authorize Renewal Agreement with Recycle Ann Arbor for Drop-off Station Maintenance Costs (\$20,000.00 for Two-Year Contract Renewal)  
Attached for your review and approval is a resolution authorizing the City of Ann Arbor to enter into a two-year renewal operating agreement with Recycle Ann Arbor to operate the drop-off station at 2950 East Ellsworth Road. This resolution is being presented in conjunction with a resolution to approve an agreement with Washtenaw County, Pittsfield Township and Recycle Ann Arbor for funding the facility.

This operating renewal agreement obligates the City to cover maintenance costs at the drop-off station, estimated at \$10,000.00 per year, which was approved by Council as part of the FY08 Solid Waste Operating budget and has been included in the FY09 and FY10 Solid Waste Budget Plans. Otherwise, there will be no cost to the City other than the expenditures approved in the funding agreement.
