Attached for your review and action is a resolution approving a purchase order to BS&A not to exceed \$26,107.00 for maintenance and support of the Tax and Assessing software systems as well as the online hosting of Tax and Assessing data for FY2018

Budget/Fiscal Impact: Funding for the maintenance fee for these applications is budgeted for and available in the FY2018 Information Technology Services Unit budget. No additional funds are requested.

The BS&A software solution for tax and assessing processes has been adopted as the standard in Washtenaw County and in most of the State of Michigan. During the course of the year software upgrades and annual maintenance are required and as the developer of this proprietary software, BS&A, is the sole source provider.

It is imperative to maintain the agreement with BS&A to receive application updates and maintain support.

BS&A complies with the requirements of the City's Non-discrimination and Living Wage ordinances.
