Please find attached for your consideration a resolution that authorizes a sole source purchase order to Carrier & Gable, Inc., of Farmington Hills, Michigan, for traffic signal materials and supplies. We are requesting \$450,000.00 for several projects and to purchase normal maintenance supplies.

This resolution supports the following projects:

1. Traffic signal rebuild at Packard and Fernwood (\$75,000.00)
2. Four way flasher rebuilds (Pauline and Redeemer)(Arlington and Bedford) (\$30,000.00)
3. Maintenance operations including wear-out and accident damage, and minor support of other City projects (\$235,000.00)
4. Traffic signal rebuild at First & Ashley (\$45,000.00)
5. Traffic signal rebuild at Huron Parkway and Hubbard (\$65,000.00)

Approximately, \$390,000.00 of the above-mentioned projects will be funded from the Field Operations Major Street fund operating budget. Approximately \$60,000.00 will be utilized for Project support and will be expended against the project. In cases of accident damages, the City seeks restitution by billing responsible parties for damages.

Carrier & Gable, Inc. is the sole area distributor in Michigan and Indiana for the Eagle Signal Company. All of our signalized intersections utilize equipment manufactured by Eagle. The advantages of sole source supply include reduced inventory requirements, as well as the need to train technicians in the repair of only one type of product.
