Resolution to Acknowledge and Approve the Amendment of HBSP Holdings Corp. d/b/a Salsarita's Fresh Cantina Application for Class C Downtown Development District Liquor License to a New Full-Year Class C Quota License at 401 E. Liberty, Suite #2, in the City of Ann Arbor
City Council Resolution R-08-297 on July 7, 2008 recommended approval of the issuance of a Downtown Development District Liquor License to HBSP Holdings Corp d/b/a Salsarita's Fresh Cantina "above all others" to be specifically located at 401 E. Liberty, Suite #2, in Ann Arbor

In response to a request from the Michigan Liquor Control Commission, City Council further amended R-08-297 on August 7, 2008 (R-08-344), to add specific Class C license classification to its approval.

Recently, the City was advised that a new full-year Class C Quota License was available. HBSP Holdings Corp. has petitioned to amend its application for a Development District license to an application for the full-year Class C Quota License.

The Council Liquor Committee having previously determined that HBSP Holdings Corp, as an existing restaurant business, has made a proven and measurable contribution to the community and that the designated premise, 401 E. Liberty Street, Suite #2, is an appropriate location for a liquor license under applicable planning and development plans of the City and being apprised that the application remains open, recommends approval of amendment of the application to a quota license request.
