Resolution Setting a Public Hearing on August 6, 2009 to Receive Public Comment on the Application of AVL Inc, Located at 1801 E. Ellsworth, for an Industrial Facilities Exemption Certificate in Industrial Development District No. 2009-030

Attached please find for Council action the necessary resolution to set a public hearing on the application of AVL Inc., for an industrial facilities exemption certificate in Industrial Development District No. 2009-030 established by City Council on July 6, 2009.

State law requires that a public hearing be scheduled by the local governing body on receipt of an application for an industrial facilities exemption certificate in an established development district. AVL Inc. filed an application with the City Clerk on July 6, 2009.

AVL Inc is requesting an abatement on \$1,200,000.00 of real property improvements and \$1,420,000.00 of personal property. If approved this will reduce AVL Inc.'s annual tax bill for the new improvements by an average of approximately \$21,300.00 for each year of the abatement. The new real and personal property investments will generate approximately \$24,900.00 in property taxes for each year during the abatement period.
