Resolution to Approve Grant Application to the USDA Farm and Ranch Land Protection Program (FRPP) for the Purchase of Development Rights (PDR) on the William Lindemann and Karen Weidmayer Property in Lodi Township **(8 Votes Required)**

Attached for your review and action is a resolution to approve the USDA Farm and Ranch Land Protection Program (FRPP) application for the purchase of development rights (PDR) for the William Lindemann and Karen Weidmayer Property located in Lodi Township.

**Grant Application:**

Applications to the USDA FRPP program are for funds up to 50% of the appraised fair market value of the development rights to a maximum of \$5,000.00 per acre. Completed applications must be submitted by February 17, 2011. It is anticipated that a request for approval of the grant, if awarded, will be presented to City Council in May, 2011.

The Greenbelt Advisory Commission recommended submission of the grant application at its December 8, 2010 meeting.

The attached resolution also approves Voluntary Agreement for the Sale of Agricultural Land Development Rights for the farm.

The Voluntary Agreement for the sale of the development rights (pending offer) is contingent on the following:

- A. Establishment of a fair market price for the development rights to be determined by an appraisal and approved by the City and USDA FRPP.
- B. Conveyance of good and marketable title to the development rights by Farmland Development Rights Easement.
- C. Acceptable environmental site assessment of property.

D. Acceptance of the Farmland Development Rights Easement by Ann Arbor City Council and the Farm and Ranch Lands Protection Program.

If awarded grant funds, an appraisal will be completed and a complete budget, along with purchase agreement will be submitted to Council for review and action.

**Conservation Easement:**

The easement is made pursuant to section 36111 b of the Natural Resources and Environmental Protection Act (MCL 324.36111b; MSA 13A.36111b) and Chapter 42 of the Ann Arbor City Code. The easement is for the purpose of preservation of the Property's agricultural use, including the protection of prime, unique or important soils, by preventing any use that would significantly impair or interfere with the agricultural value.

Matching grant funds are through the USDA Natural Resources Conservation Service. The City's share is from the Open Space and Parkland Preservation Millage proceeds. The FRPP program is voluntary and provides matching funds for local governments to acquire development rights on farmland. The landowners retain the right to use their property for agriculture.

**Lindeman- Weidmayer Farm, Lodi Township**

The farm is approximately 110 acres and is located along Pleasant Lake Road in Lodi Township. The deed to the property is held by William Lindemann and Karen Weidmayer. An application to participate in the Program was received from the deed holders in 2010.

This farm is considered large enough to sustain agricultural production and is in a location that will encourage additional farmland preservation and agricultural preservation activities. The property is approximately 1/2 mile from a farm already protected by the Ann Arbor Greenbelt.
