Attached for your review and approval is Resolution No. 3 establishing the date for the Public Hearing on the Newport Sidewalk - Special Assessment, District No. 42, File No. 2012-025.

The improvement includes the addition of sidewalk along Newport Road from Riverwood Drive to Wines Elementary. This work will be performed in conjunction with the road resurfacing planned for Newport Road (Sunset to just south of Bird Road). In addition to the special assessment funding, the Ann Arbor Public Schools are being asked to pay for that portion of the sidewalk south of the bridge, all of which abuts AAPS property.
