This resolution is to approve annexation of this property into the City, which is within the City's water and sewer service area and is consistent with the adjacent zoning, land uses and master plan. After the annexation process is complete, it will come back for Council action on (1) the zoning change to C2B (Business Service) and (2) a planned project site plan.

The City Planning Commission, at its meeting of June 2, 2009, recommended approval of the annexation, zoning and planned project site plan.
