Resolution to Approve the Purchase of a Dump Trailer from Spector Manufacturing Inc. (\$67,696.00)
The attached resolution authorizes the replacement purchase of a large dump trailer that attaches to the City's semi tractor. The trailer is used by the Field Operations Unit for hauling gravel, spoils and asphalt materials. The new dump trailer will replace a 1993 dump trailer used in the Field Operations, Street Maintenance Unit. The trailer has been in service for 23 years.

Proposals were solicited by the City through ITB #4443. Only one proposal was received and that bid from Spector Manufacturing Inc. was the lowest responsible bidder.

The approved FY 2016 Fleet and Facility Unit and the Major Street Fund operations and maintenance budgets include adequate funds for this purchase.

Spector Manufacturing Inc. complies with the requirements of the City's non-discrimination ordinances.

Prepared by: Matthew J. Kulhanek, Manager Fleet and Facilities Unit

Reviewed by: Craig Hupy, Public Services Area Administrator

Approved by: Tom Crawford, Interim City Administrator
