Resolution to Add Members to the North Main/Huron River Corridor Study Task Force

The City Council approved a task force to study 721 N. Main, pedestrian and bike connections to the river corridor and to the parks along Huron River Drive, the traffic congestion at Main and Depot, and possible uses for the MichCon site, were the City to acquire it.

This task force was designed to be inclusive, but all of the most significant specialties and neighborhood groups weren't included in the original resolution.

This resolution amends the original resolution to add a member of Council, a representative of the river users (boating/fishing) and a representative of the Huron River Citizens' Association.

Whereas, On May 7, 2012 Council approved the resolution creating a North Main Task Force, and

Whereas, That resolution was sponsored by Councilmembers Briere and Smith;

RESOLVED, That this resolution amends the North Main Task Force Resolution (Resolution No. R-12-188) to add four new positions: a member of Council, the boating/fishing community of river users, a representative from the Huron River Citizens Association and a representative from the Public Art Commission.

Sponsored by Councilmember Briere and Smith

As amended by Ann Arbor City Council on May 21, 2012
