The contract with the previous cleaning company expired on June 30, 2014. In order to insure there was not a lapse in service we issued a purchase order to Du All Cleaning under the Administrators' authority for the month of July in the amount of \$20,787.00 which will bring the total amount spent in FY 2015 to \$249,444.00. For each of the next 2 fiscal years, the contract price will not exceed \$249,444.00 per year.

The resolution also authorizes an option to extend the contract with Du All Cleaning, Inc., for up to three additional one-year periods with a yearly increase of up to 2% each year, upon approval by the City Administrator, for a total amount not to exceed \$1,506,213.00 over the life of the contract including all renewals, with the same terms and conditions subject to the annual appropriation of funds.

Requests for bids were posted on-line and three qualified bids were received. Staff evaluated the bids and determined that the prices were competitive and recommends Du All Cleaning, Inc. be awarded the contract. The bid tabulation is attached.

Funding for these services are included in the Fiscal Year 2015 operating budget of the Public Services Area, Safety Services Area and Community Services Area. Funding from the same sources will be included in future budgets.
