Resolution Establishing Ann Arbor Industrial Development District 2009-010 for 3775 Varsity Drive Attached please find for Council action the necessary resolution to establish an industrial development district as requested by Varsity Real Estate LLC on November 6, 2008.

State law requires that an industrial development district may be established after a public hearing by the local governing body. Establishment of an industrial development district is required prior to receipt of any official application for an industrial facilities exemption certificate within the industrial development district.

The property owner has requested the City establish an abatement district so that an application may be filed for consideration. Approval of this resolution would establish the district and permit the tenant to file an application for Council consideration.
